

To Whom It May Concern,

It is my pleasure to write this letter on behalf of A & M Mechanical, attesting not only to our longstanding partnership, but also to the incredible impact they have made on Help Now AZ and the children and families we serve across Arizona over the past fourteen years.

Throughout our partnership, A & M Mechanical has consistently demonstrated a deep commitment to supporting HELP's mission and initiatives. They have proudly served as a top-tier sponsor at several of our annual galas and events, while also inviting their customers and colleagues to join them in raising awareness and contributing to the cause. In addition, they have actively participated in numerous volunteer efforts over the years, including Christmas gift-wrapping, hosting meals for families, and engaging in outreach events—always willing to meet families where they are, without hesitation.

Their support extends far beyond participation, into meaningful and tangible impact. As of 2026, A & M Mechanical has contributed to the distribution of over 105,000 HELPSnackz, providing nourishment and encouragement to children during some of their most difficult seasons. They have also helped provide more than 500 fully filled backpacks for children preparing to begin the school year with confidence and dignity.

Furthermore, A & M Mechanical has amplified HELP Now AZ's mission by featuring our work on their company website, expanding our reach and increasing community awareness. Their generosity has also played a critical role in prevention efforts—helping families remain in their homes and avoid displacement during times of crisis.

These efforts reflect not only a selfless dedication to making a meaningful difference in the lives of children and families, but also a strong commitment to community leadership at the highest level. We are honored to recognize The McClures and A & M Mechanical for their unwavering support and the lasting impact they continue to make.

We are deeply grateful for their partnership and look forward to continuing this important work together for years to come.

Please feel free to contact me if any additional information is needed.

Sincerely,

Dawn Marie Rapaport

Founder & CEO
